

ClassDojo

3 steps to set up student accounts

1. Print it

Print individual student code sheets.

2. Share it

Send individual code sheets home with students. Want students to log in during class? Tape their code to their desk or use a class code (attached).

3. Scan it

Students will log in by scanning their individual code in the ClassDojo app or on the ClassDojo website.

Students can view their feedback, see photos from class, and add to their portfolio. It's a great way to boost student ownership!
